Winter 2015

Zac For Mayor

I am sure that we will all look back on 2015 and remember it as an interesting time to be in politics. It started with the BBC exit poll when we learnt for the first time that it was possible that we might win an overall majority. That was followed by the implosion of the Liberal Democrats and UKIP. In the months since the general election we have watched Labour pull itself apart after electing Mr Corbin to lead it.

And how will all this impact the 2016 London elections? We have selected Zac Goldsmith. **AS OUR CANDIDATE.** If elected he will carry forward the legacy that Boris has left. In Ealing and Hillingdon we also have a strong assembly candidate in Dominic Gilham. It was embarrassing when we lost the seat in 2012, but with a lot of hard work, we can win it back next May.

On behalf of Ealing North Conservative Association, I would like to wish you all a Merry Christmas and a Happy New Year. (Rosa Popham, ENCA Chairman)

Interested in shaping Conservatives Policies?

On the 18th of November, Hannah David, the new Conservatives Policy Forum National Voluntary Director, was invited to speak at the Executive council meeting of the Association.

Hannah explained her vision for the CPF moving forward, including developing online and social media facilities for engaging more people in its work, the creation of CPF packs and prioritising campaigning.

Members were particularly interested in hearing Hannah's ideas for getting higher education Conservative Societies more engaged with the Forum, their local associations and with the Party generally. Members agreed that this was an excellent way of garnering a younger perspective to the Forum's work and introducing new people to the Party.

If you would like to be involved in shaping Party policies, contact us and we will pass your details to Hannah David.

Information on the Conservative Policy Forum can be found on their webpage: www.conservativepolicyforum.com

What's new in 2016

We have been busy revamping our webpage to provide you with update news on national & local political information as well as the campaign for 2015 Mayoral and London Assembly Elections.

One new important feature is the facility to join us or, for existing members, to renew their membership subscription on-line.

Please visit us on: www.ealingnorthconservatives.org

We are also working to bring the Association up to date with modern media technology such as Face-book and Twitter.

Important Dates for your Diary:

ENCA Annual General Meeting

The Association AGM will be held on Thursday, 28th January 2016 in The Greenford Community Centre.

The AGM is the most important event in our calendar. It is at the AGM that members of the Association elect the Chairman and the Officers of Executive Council who will run the Association till the following year AGM.

All members are invited to attend and notices will be sent to you in the post. We hope that all of you will attend this, especially if you have recently joined us.

The meeting is normally a short one and everyone is welcomed to join us afterwards for a chat, drinks and light refreshments.

Ealing North Annual Dinner

Justine Greening MP, Secretary of State for International Development, will be our guest speaker at our Annual Dinner which will be held at The Bridge Hotel in Greenford on Thursday, 11th February 2016.

The Association Annual Dinner is our major fundraising event of the year. All money raised from social and political events goes towards financing our political and election campaigns.

For our new members it is an opportunity to meet like minded people as well as the Association Officers in a relaxed and enjoyable environment.

Full details of this and any other future events planned for the year will be sent to you by post.
