## Ealing North Conservative Association

### Member's Newsletter

Summer 2015

Due to popular demand we are reintroducing our quarterly ENCA Newsletter to keep you updated and informed on the Association activities. I hope you will find this and future editions informative and useful. Your feedback, contributions and suggestions will be appreciated.

**Rosa Popham  
Chairman**

The fantastic General Election result, reaffirms that the Conservative Party, with its sound economic policies and values, is the party that British people trust to make our country a better place to live and work. It is also the party that represents everyone, no matter where they live, whatever their ethnicity, religion, gender and social status.

Unfortunately, London bucked the trend and Ealing lost its only Conservative MP, Angie Bray, by 274 votes.

**Thank you, Thomas**

In Ealing North, Labour has dug itself in. Our job is to unseat them by giving people an alternative view of life. It will require time and efforts on our side but, with your help, it will be done.

## Dear Member and supporters,

Ealing North Conservatives is a small organisation and it relies solely on the support and help from its Members and grassroots activists. They are the heart and soul of our Association.

I would like to thank all of you for your kind support and help during the Election campaign and over the years and I hope that you will continue to do so in the future. A special thank you and welcome to those who have recently joined us.

As well as more new members, we need more activists who will help us between elections as well as at election time. We need people like ourselves who care about their local area and community and are frustrated when important local issues are ignored by their elected representatives.

Changes only happen if we make them happen! It is up to us to succeed in this - and we will have fun in achieving it.

If you would like to know more about on how you can get involved in our Association and help us be the 'Voice for change', please get in touch with us or join us at one of our many social events.

Some of them are advertised in the next page.

Looking forward to hearing from you.

## Interested in becoming a Councillor?

Becoming a Councillor is a most rewarding experience. It gives you the opportunity to help in your local community, gain political experience, and develop useful skills in public speaking and problem solving. New Councillors bring fresh ideas and enthusiasm to local politics. Anyone who is of voting age and member of the party can put themselves forward for selection.
